INTERNATIONAL BUDDHIST CONFEDERATION

New Delhi - India

23rd May 2023

Dear Brothers and Sisters in Dhamma,

Greetings from the International Buddhist Confederation (IBC)!

The IBC organized the first Global Buddhist Summit on 20th and 21st April, 2023.

IBC made all possible efforts to involve as many Buddhist organizations / institutions from India and abroad for the Summit but the space restriction and other complications restricted the invites.

We would prefer as much participation from Buddhist organizations / institutions / individuals to be part of such events being organized by IBC in future. While sending out the invites we also realized that there may be several of our Dhamma brothers and sisters in different parts of the world who are not yet in touch with us or of who we are not aware. We are thus in the processes of preparing a comprehensive database of all organizations / institutions / individuals who could form part of IBC family.

Accordingly, we would request you to kindly fill in Google form describing yourself / organization so that we are able to include you as part of our family. Please find the link of the Google form given below:

With much Metta,

Dr. Ravindra Panth
